

Quality Policy

Maamba Collieries Limited (MCL) is the largest coal mining company in Zambia and has established a mine-mouth, 300MW coal fired power plant in phase 1.

MCL aims to achieve world-class standards of operations and in order to deliver value to all stakeholders and to meet contractual requirements of customer specification through the implementation of the International Quality Management Standard BS EN ISO 9001:2008.

MCL strives for continual process improvement and thereby giving a positive return to all stakeholders.

This will be achieved by all MCL employees and contractors at all levels by

- a. Complying with Safety, Environment and Occupational Health requirements in line with ISO 14001 and OHSAS 18001 Standards.
- b. Maintaining "Preferred Supplier" status through supply of high quality coal that meets all contractual requirements.
- c. Ensuring compliance with all relevant statutory and regulatory (legal) requirements.
- d. Implementing and maintaining Quality Management System as per the requirements of BS EN ISO 9001:2008 Establishing mutually beneficial relationships with suppliers to enhance value addition to each other's activities.
